

THE CARMEL

PLANETARIUM

AND

THE CARMEL HIGH SCHOOL

ASTRONOMY

CLUB

PRESENT

From Betelgeuse...

...to the Jewel Box

Join us at the Carmel High School Planetarium for an exclusive presentation made by two senior Astronomy Club members Meera Chander and Zach Conrad! We will explore the constellations of winter and early spring along with the interesting deep sky objects within them. You will also be taken on a special tour of the southern hemisphere skies, where we will highlight some celestial phenomena rarely seen from home. This will be a fun and educational journey for the entire family.

**PLUS:** See the unveiling of some brand new color images of globular clusters and galaxies made by our very own Astronomy Club members!

Running Time: 40 minutes

Presentation Date:

Saturday, February 27, 2010

6:00 PM and 7:00 PM

Tickets are available in advance at the CHS Bookstore from 8:00 AM – 3:00 PM starting February 8, 2010.

Adults: \$4.00

Children, Seniors, CHS Students: \$2.00

The CHS Planetarium is located in Carmel High School.

Enter through the main entrance of the school on Main Street, walk past the Dale Graham auditorium, and turn right.

Doors will open 30 minutes before show time.

No one will be admitted after the program begins. Children 12 years and under should be accompanied by an adult.
